PASTORAL COUNSELING
for All

VIPCare counselors offer hope and healing through spiritually integrated counseling and education.

Our services are open to everyone. There is a place for you here — whether you practice a faith tradition or are searching, whether you are looking for support as you take the next steps in your life or you feel sad, stuck or unhappy.

VIPCare counselors believe counseling is a form of community—sitting with another person and sharing stories—the good, the sad, and the painful. We believe listening heals.

WHOM WE SERVE

We offer counseling for all ages — children through seniors. In addition, counselors offer marriage and couples counseling and group therapy.

INCLUSION

VIPCare welcomes everyone and does not discriminate on the basis of race, age, sex, gender identity, sexual orientation, or religious affiliation.

COUNSELORS

Our counselors are mental health professionals, trained to incorporate both the emotional and spiritual dimensions of life.

“Counseling makes a difference to someone suffering—from depression, anxiety, family discord, the stress of financial instability, aging, addiction, or any emotional struggle. VIPCare offers a safe place to receive compassion and support. Our community needs the services VIPCare provides.”

— SISTER CORA MARIE BILLINGS, BOARD MEMBER

Give to our COUNSELING AID FUND

The Virginia Institute of Pastoral Care's Counseling Aid Fund covers part or all of the cost of counseling for more than one-third of VIPCare's clients and offers financial support for clients who otherwise cannot afford counseling services. VIPCare is committed to providing care regardless of a client's financial need. Join us in offering compassion and healing.

To make a tax deductible gift, please visit our website: VIPCare.org and click on Donate.

YOUR GIFT TO THE COUNSELING AID FUND IS USED SOLELY FOR CLIENTS WHO NEED FINANCIAL ASSISTANCE TO COVER THE COST OF THEIR COUNSELING.

Pre Marriage Retreats are one-day programs for couples of all ages planning to be —or recently—married. Participants learn about relationship styles by exploring the Enneagram and discover ways to increase communication skills.

For more information or to register, please visit our website at VIPCare.org or call us at 804-282-8332.
